<https://astonezulu.wordpress.com/>

44 Twapia, Ndola, Copperbelt, Zambia | +260766429057

Skilled programmer, designer, and writer with peer tutoring experience. Strong problem-solving and communication abilities, passionate about creating, teaching, and delivering high-quality solutions.

Work Experience

Internship

May 2025 - Aug 2025

[Future Interns](#) | Remote

I developed and delivered three key projects, a mini e-commerce store, a complete rebrand for a leading fuel company, and a professional personal portfolio. This experience allowed me to strengthen my skills in programming, design, branding, and project execution.

- Mini E-Commerce Store – Developed a fully functional e-commerce platform from scratch, implementing core features such as product listings, shopping cart functionality, and user authentication. This project showcased my programming, web development, and problem-solving skills, while emphasizing clean code, responsive design, and user experience best practices.
- Professional Personal Portfolio – Created a responsive personal portfolio website to present projects and skills professionally.
- Fuel Company Rebrand – Led the complete redesign of a leading fuel company's branding and visual identity, creating a fresh, modern look that aligns with their market vision. Showcased creativity, design expertise, and attention to detail while producing professional-ready assets and mockups.

Field Sales Executive

Dec 2022 - Jan 2024

[SunKing](#) | Kitwe

Worked as a Sales Field Executive, specializing in solar lighting solutions. Responsibilities included selling solar lights, performing installations, and maintaining a client portfolio to ensure satisfaction and repeat business. Developed strong customer relationship management, problem-solving, and field sales skills.

- Sales & Client Acquisition: Successfully sold solar lighting solutions, consistently meeting or exceeding sales targets.
- Technical Installation: Installed solar lights, demonstrating hands-on technical expertise.
- Client Portfolio Management: Maintained and nurtured client relationships to ensure repeat business and customer satisfaction.
- Field Experience & Communication: Gained strong interpersonal, negotiation, and field coordination skills.

Projects

Gazing at the Stars eBook

Mar 2024 - Sep 2025

Authored and self-published Gazing at the Stars, a compelling narrative showcasing storytelling, writing, and creative expression skills.

Truth to Power eBook

May 2025 - Present

Currently authoring Truth to Power, a thought-provoking eBook exploring personal growth, resilience, and real-world experiences, demonstrating strong writing and storytelling skills.

Blog

Jun 2025 - Present

Founder and content creator of YouthToEmpire, a blog empowering young people with insights on entrepreneurship, personal growth, and skill development

- <https://youthtoempire.wordpress.com/>

Personal Professional Portfolio

May 2025 - Aug 2025

Designed and developed a responsive personal portfolio website to showcase projects, skills, and professional achievements, highlighting creativity, web development, and design expertise.

- https://github.com/20-zulu-astone/FUTURE_FS_01

Mini E-Commerce Store

May 2025 - Aug 2025

Built a fully functional e-commerce platform with dynamic product listings, shopping cart, and user login, showcasing web development, programming, and user-focused design skills.

- Problem-Solving - Debugging and implementing functional features and project planning which involved structuring and delivering the project from start to finish
- https://github.com/20-zulu-astone/FUTURE_FS_02

Rebrand Website

Jul 2025 - Jul 2025

During my internship, I took on the challenge of reimagining a website's identity, transforming its look and feel into a modern, cohesive, and user-friendly experience that truly stands out. I didn't just redesign, I rebranded with purpose.

- https://github.com/20-zulu-astone/FUTURE_FS_03

Volunteer Experience

First Year Experience

Aug 2025 - Aug 2025

Northrise University

I volunteered to lead fun activities and games during the First Year Experience, creating energy, laughter, and a welcoming vibe that helped new students connect and feel at home.

Maintenance

Jun 2025 - Jun 2025

Northrise University

Volunteered in maintenance and logistical support during a graduation ceremony, ensuring smooth operations, timely setup, and a safe, organized environment for attendees. Developed teamwork, problem-solving, and hands-on event coordination skills

Education

Northrise University

Feb 2024 - Present

Bachelor Computer Science

Relevant Coursework: C programming, Relational Database and Design, Communication and Study Skills, Computational Mathematics

GPA: above 3.50

Languages

English (*Fluent*), Bemba (*Native*), Nyanja (*Basic*)
